COMPLAINT FOR MEDICAL
MALPRACTICE

22 1. This action arises under the Federal Tort Claims Act, 28 U.S.C. Section
23 1346 (b), as hereinafter more fully appears.

24 2. At all times mentioned herein, the Defendant United States of America and
25 Does 1-10 and Roe Corporations, and each of them, were physicians, surgeons, nurses,
26 medical technicians, medical administrative personnel, and health care facilities licensed
27 by the Federal or State licensing agency to practice medicine and/or surgery in said
28 State, and each such health care provider held himself, itself, or themselves out to
possess that degree of skill, learning, ability and expertise possessed and exercised by
similar medical practitioners and health care providers in the State of California.

3. At all times mentioned herein, the Defendants, Does 1-10 and Roe
Corporations and each of them, were physicians, nurses, medical assistants, medical

1 technicians, medical administrative personnel, and health care facilities (including
2 independent contractors whose identities are presently unknown) associated with or in
3 the employ of Defendant United States of America, the Veteran's Administration, the
4 medical associations or corporations, or hospitals, hereinabove referred to or in the
5 alternative, were personnel unaffiliated with the Defendants hereinabove referred to
6 and/or were independent contractors hired or retained by said fictitious Defendants,
7 Does 1-10 and Roe Corporations 1-10, and/or named Defendant.

8 4. Plaintiff is ignorant of the true names and capacities of defendants sued
9 herein as Does 1-10 and Roe Corporations 1-10, and therefore sues these defendants
10 by such fictitious names. Plaintiff will amend this complaint to insert their true names
11 and capacities when ascertained. Plaintiff is informed and believes and thereon alleges
12 that each of the fictitiously named Defendants is responsible in some manner for the
13 occurrences herein alleged, and that Plaintiff's damages as herein alleged were
14 proximately and legally caused by their conduct.

15 5. Plaintiff is informed and believes that at all times herein mentioned, each of
16 the defendants was the agent and employee of each of the remaining defendants, and
17 was at all times herein acting within the course and scope of said agency and
18 employment, and each defendant has ratified and approved the acts of his or her agent.

19 6. The Defendants, and each of them, owed a duty to the Plaintiff, by
20 providing professional health care in accordance with the applicable standard of health
21 care prior to, during evaluation, and treatment of Plaintiff Gary L. Wheelock (based upon
22 their respective medical specialties, and their respective health care standards).

23 7. Plaintiff Gary L. Wheelock is a citizen of the United States of America and
24 presently resides at 2972 Lexington Circle, Carlsbad, CA 92010, within the jurisdiction of
25 this court. The acts and omissions hereinafter alleged occurred within the Southern
26 District of California. Accordingly, venue within this district is proper pursuant to 28
27 U.S.C. Section 1402.

28 8. Plaintiff alleges on information and belief that the Vista Satellite Clinic, the

1 Administrative Appointment and Follow Up System, and the Urology Department at
2 Veteran's Administration Medical Center, employees, physicians, nurses, corpsmen or
3 corpswomen and/or its staff are responsible for the matter at hand.

4 9. Plaintiff further alleges that Veteran's Administration Medical Center
5 employed, supervised, and ratified the hiring of all employees and/or agents involved in
6 Plaintiff's health care.

7 10. Plaintiff further alleges on information and belief, that Defendant United
8 States of America and personnel at Veteran's Administration Medical Center and its
9 employees and/or agents were acting in concert with the knowledge, consent and
10 ratification of the Defendant at all times relevant to this action.

11 11. On or about late 1999 or early 2000, Plaintiff Gary L. Wheelock suffered an
12 episode of diminished feeling in his pelvic area and blurry vision and presented to the
13 emergency room at the V.A. Medical Center in La Jolla. The staff there told him he had
14 no urgent problems, and was assigned to Dr. Robin Moyer in their Vista Clinic. Dr.
15 Moyer sent Plaintiff Gary L. Wheelock on many occasions to the Urology Department for
16 complaints of weak urinary stream, numbness in his genitalia, and low back pain. Dr.
17 Moyer told Plaintiff Wheelock that she needed to rule out the most obvious cause,
18 which was cancer, but no digital exams, PSA test or other appropriate specific diagnostic
19 tests were performed, nor were there any imaging or follow up testing. Dr. Moyer
20 diagnosed osteoporosis and perhaps stress. The Urology Department refused to see
21 him, or failed to complete appropriate screening, physical examination, diagnostic
22 testing, or follow up work.

23 12. Over the next few years, Plaintiff Gary L. Wheelock continued to present to
24 V.A. Medical Center in La Jolla and the Vista Clinic with complaints of urinary problems
25 including stream interruption, penile discharge, nocturia, burning upon ejaculation, and
26 pain. Hip/pelvic x-rays and an MRI were done in 2004 and 2005, but no one identified
27 the cancer. Finally, in December, 2006, Plaintiff Gary L. Wheelock presented to the
28 Emergency Department and refused to leave without a diagnosis. Dr. Bennett ordered a

1 PSA test and the results were 970. Dr. Bennett, believing a mistake, ordered a second
2 test. The result was over 1100. Plaintiff Gary L. Wheelock was admitted to the hospital
3 and underwent CT scans of the abdomen, pelvis, and thorax, and a whole body scan.
4 The results were Stage V metastaticized cancer, that involved his prostate, lymph nodes,
5 lungs, liver, thoracic vertebrae, and possibly his right shoulder. He was told that it was
6 too far along to be treated with medication or to be surgically removed.

7 13. There was a professional health care relationship between Plaintiff Gary L.
8 Wheelock and Defendants, and at said time and place, the Defendants, and each of
9 them had a duty of care to practice medicine and provide health services as health care
10 providers, medical technicians, surgeons, nurses, corpsmen, administrative medical
11 staff, and medical facilities, using reasonable care.

12 14. Defendants' duty included the duty to properly examine, evaluate, diagnose,
13 and treat Plaintiff Gary L. Wheelock. Defendants, and each of them, breached the duty
14 of care owed to Plaintiff as health care providers by failing to exercise the proper degree
15 of knowledge and skill in examination, evaluation, diagnosis, treatment, and therapy for
16 Plaintiff, Gary L. Wheelock so that Plaintiff was caused to suffer the injuries and
17 damages hereinafter alleged. Additionally, Defendant had a duty to exercise reasonable
18 care in the training, management and control of its employees, agents and/or
19 associates, and to institute and maintain and appropriate administrative system to
20 ensure proper screening and follow up of their patients.

21 15. As a direct and proximate result of the negligence of the Defendant, Plaintiff
22 Gary L. Wheelock suffered with an untreated and worsening condition, became
23 depressed and disabled from his employment, and is now terminally ill with a short life
24 expectancy. He is only 49 years old.

25 16. As a direct and proximate result of the negligence of the Defendant, Plaintiff
26 Gary L. Wheelock's quality of life and work expectancy have been greatly lessened, and
27 he is now facing a severely reduced life expectancy.

28 17. As a proximate result of said negligence of the Defendant, Plaintiff

1 Gary L. Wheelock was hurt and injured in health, strength, and activities, having
2 sustained severe and lifetime injury to his internal system causing shock and injury to his
3 person, all of which said injuries have caused and continue to cause Plaintiff great
4 mental and physical suffering. Plaintiff is informed and believes and thereon alleges that
5 said injuries have resulted in permanent disability and an imminent early death to
6 Plaintiff Gary L. Wheelock.

7 18. As a further proximate result of negligence of the Defendant, Plaintiff Gary
8 L. Wheelock was/is required to employ multiple physicians to examine, treat, and care
9 for Plaintiff Gary L. Wheelock and did incur medical and incidental expenses. The exact
10 amount of such expense is unknown to Plaintiff at this time and Plaintiff will ask leave to
11 amend the pleading to set forth the exact amount thereof when the same is ascertained.

12 19. Plaintiff Gary L. Wheelock is informed and believes, and thereon alleges,
13 that in the future he will necessarily, by reason of said injuries and damage, be required
14 to obtain additional medical care and treatment and incur additional medical and
15 incidental expenses to care for him in an assisted living, and then hospice care. Plaintiff
16 does not know the reasonable value thereof and pray leave to amend this complaint to
17 set forth the true amount of said losses when the same have been ascertained or will
18 prove the same at the time of trial.

19 20. WHEREFORE, Plaintiff Gary L. Wheelock prays for judgment against the
20 defendant and damage as follows:

- 21 (1) General damages according to proof;
- 22 (2) Special damages inclusive of current medical expenses, future medical
23 expenses, lost earnings, lost earning capacity, loss of enjoyment of life;
- 24 (3) Pre-judgment interest;
- 25 (4) For costs of suit;
- 26 (5) For such other and further relief as this court may deem proper and
27 necessary.
